I will join when I can. I don't want to create an international incident. □

Nichole:

After thinking about our earlier conversation and some additional conversations, I could use your help in getting Senator Murray to call Chairman Cladoosby. If a call from her could happen soon it would help things along as I am not making progress. Thanks.

Dennis - I know we talked about getting together Friday to talk about swinomish. I think that timing is fine assuming I can still get her something to review over the weekend.

Got it. We have one almost done for the grant.

I suspect we have all sorts of one-pagers for Portland Harbor that can be adapted. Cindy, are you already working on this?

Aloha.

This is just a reminder that the administrator will need one-pagers/TPs on the current status on Portland Harbor and the anti-WA farmer grants issue. I need by COB Wed.

Thanks.
